

“Chemistry: The Central Science” Resource Person: Dr. Rishikesh Narayan, Associate Professor, SCMS IIT - Goa. Date: 16th July 2025.

“Soil testing and its importance in agriculture” Resource Person: Mr. Vishwas Shirodkar, Chemist, Krishi Vigyan Kendra South Goa, Margao - Goa Date: 08th January 2026.

“Tools in literature survey” Resource Person: Dr. Mahesh Majik Professor, Directorate of Higher Education. Date: 10th October 2025.

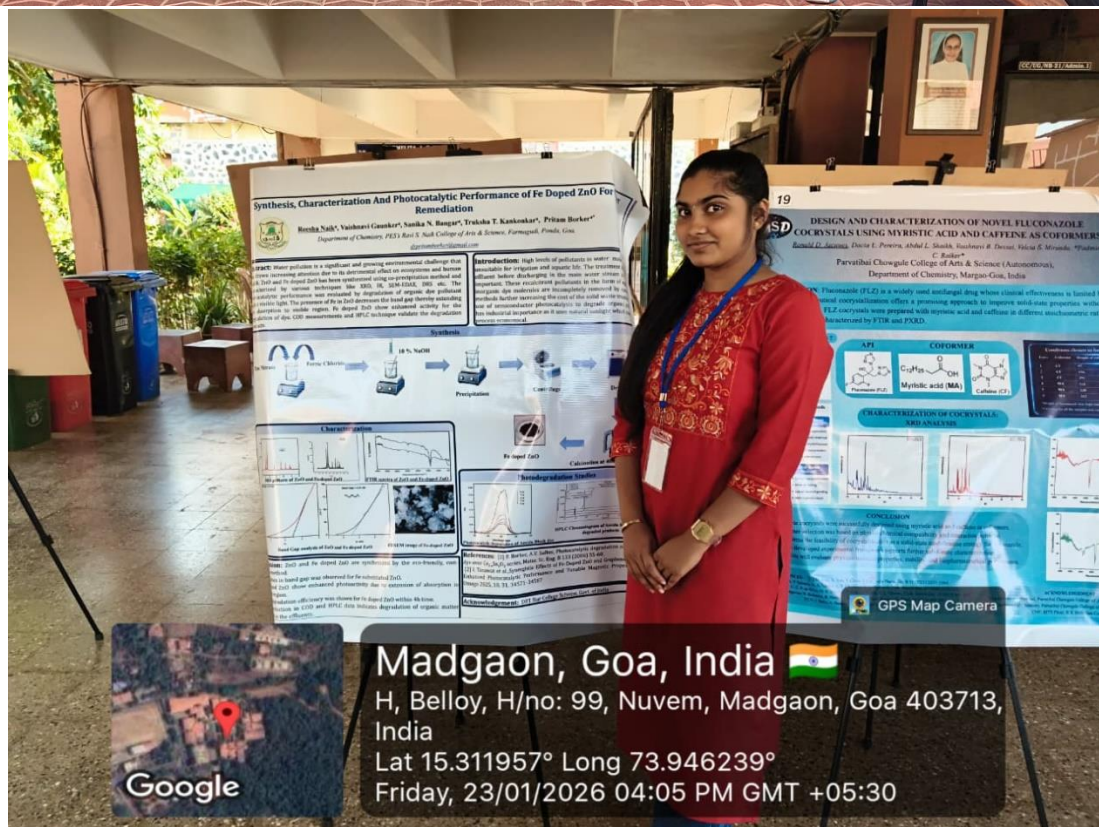

“ChemInformatics: From Spectra to Solutions” Resource Person: Mr. Vishnu Chari Assistant Professor, School of Chemical Sciences; Goa University and Resource Person: Dr. Hari Kadam Assistant Professor, School of Chemical Sciences; Goa University Date: 20th February 2026.

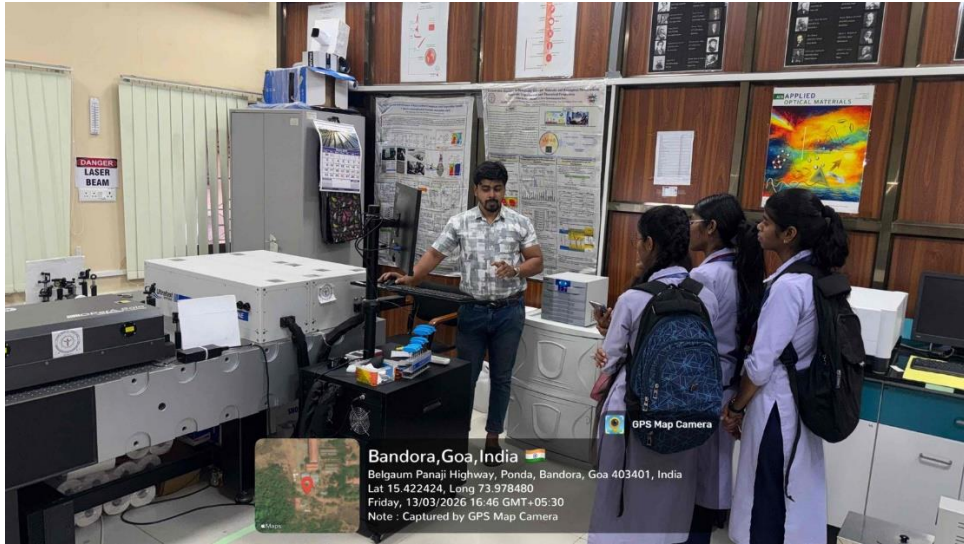

One-day Hands on Training Session for Laboratory Staff “LabSafe: Best Practices for Laboratory Safety” Resource Person: Dr. Bidhan Shinkre, Associate Professor; SCS, Goa University Date: 23rd February 2026.

A Session for the Students on “Role of Polar regions in climate change” Resource Person: Dr Shabnam Choudhary Geological Oceanography Division CSIR - National Institute of Oceanography
Date: 12th March 2026.

Students participated in State/ National Level Symposium/ Seminar/ Conferences

Student Visit to Research Labs of IIT – Goa on 13th March 2026.

Instruments procured by Department of Chemistry under DBT Star College Scheme

pH Meter

Colorimeter

Conductometer

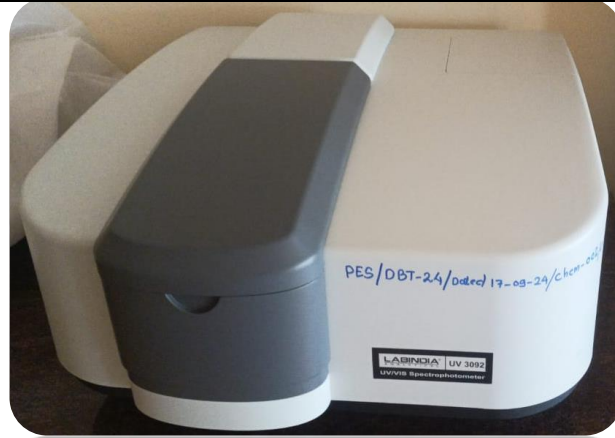

Potentiometer

Muffle Furnace

Water Distillation Unit

UV – Visible Spectrophotometer

Melting Point Apparatus

Centrifuging Machine

Thermostat Water Bath

Magnetic Stirrer with heating mantle

Ultrasonicator Water Bath Apparatus
