

Department Achievements (2014 - 2015)

Dr. Girish . V. S. Kundaikar

- ❖ Participated and presented a paper entitled “**Synthesis of Uniform size superparamagnetic Grains of $Mn_x Zn_{(1-x)}Fe_2O_4$ Ferrites by Precursor Based Autocombustion Method**” in the International Conference **NANOCON 014** on Nanotechnology, Smart materials, Composites, Applications and new inventions organized by Bharati Vidyapeeth University, Pune on 14th and 15th October 2014.
- ❖ **He was awarded the “best paper of the conference” for the oral presentation.**

Students Achievements

- ❖ Ms Sanjukumari is the recipient of Gold medal in the University examination.
- ❖ B.Sc. Vith semester student’s project entitled “Study of structural and magnetic properties of of $Mn_{0.8} Zn_{0.2}Fe_2O_4$ nanoparticles.” was selected for poster presentation in the National Conference organized by Shivaji University Kollapur.

Recent Activities

- ❖ The Dept. of physics has organized a talk on **Modern Physics and carrier opportunities** by Mr. Omkar Parrikar (PhD Scholar from University of Illinois (USA) on 11th July 2014.
- ❖ A lecturer on experimental physics by Prof. Sadique was organized on 23rd August 2014.
